2. Cancellation or curtailment of space reservation will result in short rate adjustment. A signed contract must be submitted before any advertisement is published. Cancellations must be in writing and received 30 days prior to cover date. If the cancellation is not received in this timely manner, the client will still be invoiced at the applicable rate.
3. Rates are subject to change upon notice from the Publisher. Rate protection extended to advertisers with signed contracts specifying insertion dates.
4. Advertisers must be current AAEP exhibitors unless otherwise specified.

AAEP retains the right, in its sole discretion, to determine the circumstances under which an exhibitor may advertise in the convention program. While all advertisers must comply with applicable legal guidelines, Compounding Pharmacies are specifically directed to limit themselves to pharmacy practices as dictated by the FDA Center for Veterinarian Medicine, Compliance Policy Guideline (<https://www.fda.gov/media/119267/download>). Advertising any complete or partial mimicry of drugs and dosage forms of FDA approved formulations will not be accepted. Compounding Pharmacies, or any other exhibitors/advertisers who violate this rule in any fashion, will render their advertising contract null and void.

As a private organization, the AAEP reserves the right to exclude any company from advertising in the official Convention Program for any reason. The signing and delivery of the advertising contract shall constitute an offer subject to acceptance by the AAEP. In its sole and absolute discretion, AAEP may revoke its acceptance of the advertising contract or may terminate any contract by delivery of written notice, in which event the AAEP shall have no liability to the advertiser for damages or any other remedy.
