***Council/Committee/Task Force
Report Form/Board Recommendation***

Committee Name:	Educational Programs Committee and Scientific Review & Editorial Committee (CESC & EPC in 2026)	Quarter/Year:	Year End 2025
Prepared by:	Dr. Luke Bass and Dr. Amy Johnson	Date Submitted:	11/10/2025

This Committee is:

Reporting with no board action required
 Recommending board action or a policy change (add information below)

I. Activities since summer Board meeting.

EPC (to be CESC)

- Started the now popular AAEP Journal Club.
- Started developing an online program to assist in modernizing the spring paper selection Zooms.
- Started holding quarterly EPC Program Chair meetings.
- Post July Strategy Planning Sessions, starting holding hexad (triad) calls with the Chair, Vice Chair, Incoming Vice Chair, Board Liaison and both staff liaisons.
- Updated and modified 3-year grids through 2028 as needed, expanded as necessary.
- Foundational Skills meeting completed in College Station, Texas. August 8-10, 2025.
- Completed ImagingXP series in Ringoes, NJ on September 19-20 and in San Dieguito, CA on October 30-31, 2025.
- Dr Allen Page was selected as the incoming Vice-Chair.
- Dr Eric Swinebroad accepted At-Large Member role with EPC (CESC).
- Dr. Emma Adam elected Vice President and becomes 2027 Annual Convention Program Chair.
- Developing the reverse classroom program to take over a few Table Topics (maybe 4?) at the 2026 AAEP Annual Convention (from July Strategy Meeting).

- Planning to increase number of XP offerings throughout the year. Maintaining a series of three for each topic. In 2026, NeuroXP, DentistryXP both have 3 offerings and there will be one for the PodiatryXP that will continue into 2027.

SREC (to be EPC)

- Brought on new committee members and look forward to welcoming them to the team in Denver.

II. Activities planned for the remainder of the year

EPC (CESC)

- The EPC (CESC) will meet in Denver, Saturday, December 6 from 1:00-2:30 pm MST at the Colorado Convention Center, Room 205.
