

Council/Committee/Task Force Board Report

Work Group:	Member Engagement	Quarter/Year:	End of Year 2025
Prepared by:	<u>Dr. Emma Adam, Chair</u> <u>Dr. Rebecca Bishop, Incoming Chair</u>	Date	<u>November 20, 2025</u>
		Submitted:	<u></u>

Please provide a brief list of all activities completed within the last six months:

The Membership Engagement Committee has recently completed its major task for the year, in providing names of potential committee members and alternates for Board approval.

The committee completed an extensive review of the volunteer interest form and made recommendations to staff and board on revisions. The form is much shorter and will be available in the first quarter 2026 for use in our next volunteer cycle.

The committee has also conducted personal outreach with key member groups including first time attendees to the Denver convention and student members.

Does your council, committee or task force currently have issues or topics on which the AAEP Board needs to take formal action at their December meeting? If so, please specify.

No.

Please provide a brief list of any activities planned:

- Available to select applicants for any other non-AAEP vacancies that may arise.
- Will work with staff to review of all AAEP member types, membership dues rates and benefits.

Are there any other informational items that you need to make the board aware of?

No.

Dr. Emma Adam
